

Sharnbasaveshwar Vidhya Vardhak Sangha's

S. S. K. Basaveshwar College of Arts & Science

(Affiliated to Gulbarga University, Gulbarga and Accredited with B⁺ by NAAC)

Basavakalyan-585327 (District: Bidar)

The child which is full of innocence, untouched and uncontaminated by the evil of egoism, is considered to be spark of divinity. The teacher should consider that teaching a child is a selfless and dedicated service to divinity. This act of giving spiritual, intellectual and moral enlightenment to innocent children is an offering of flowers of knowledge to God and that is an essence of Dasoha philosophy.

“No religion is greater than service. Teaching and learning not only for the sake of livelihood, but also for the welfare of others, thinking that serving humanity is serving God, is Kayaka Dasoha philosophy of Education”.

-Poojya Dr. Appaji

GLIMPSES OF OUR SANGHA

The Sharnbasaveshwar Vidhya Vardhak Sangha was founded in 1903 by the 6th Peethadhipati, made a humble, yet a noble beginning with its first school housed in Mahadasoha Mahamane-the spiritual abode. Then onwards it has never looked back and has grown into leaps and bounds. Dedicating itself to the pursuit of service and excellence has grown into a mammoth educational centre imparting science, commerce, management, arts, engineering & technical education to nearly twenty thousand student's from KG to PG in forty institutions spending nearly 100 crores in hundred years of its meaningful and eventful existence. “Very rarely an institution starts with a library. So I was taken by surprise and veneration for this institution. Because this Institution started with a library”. This is how Dr. A.P.J.Abdul Kalam, the former President of our country pays tribute to our Sangha. Illustrious Sons of India & dignitaries including the father of our nation, Mahatma Gandhi down to Dr. A.P.J.Abdul Kalam, the President of India, have visited our Institution. There have been many innovations in teaching methodology in the recent past, especially in higher education, more

so in technical and management education, but the essence of philosophy of our institution has remained as it was enunciated by Lord Sharnbasaveshwar. Students may acquire great knowledge which may or may not be used them in their life but the kind of education imparted in our institution lasts forever, which is more rooted in encouraging our students to be self-reliant, inquisitive and positive thinking, governed by great tolerance. The education that we impart gives the students enormous scope for independent thinking and absorbing the difference they confront in the society. The knowledge acquired without subjecting it to enquiry has no relevance. Hence, we infuse the spirit of enquiry into the minds position, when confronted with crisis. We not only empower the students but see that their inherent strengths are tapped and nurtured and further made realize and sustain them forever. As it is well accepted fact that, the prosperity of the nation rests on the quantum of research undertaken with the available resources, which we strive to emphasize in our institution.

Self-discipline and independent thinking are the two corner stones of our institution on which the life of students is built. The faculty makes all-out efforts to stimulate intellectual honesty among the fellow students, as our students live in a rich cultural environment.

India is a land of composite culture; naturally the strength of our campus is multi-culturism as there are students coming from different spectrums of life, be it regions, castes or languages, but they are all unified and united in our premises. This kind of ambience gives us a scope to promote and nurture the talents available and infuse a culture of differences of others. This is bedrock of our philosophy. We make the students learn how to cope up the varied styles and thinking and motivate them to work together for the good of the society. We make tireless efforts to make our students responsible citizens of the world.

GENESIS OF OUR COLLEGE :

S.S.K.Basaveshwar Arts & Science College was started in the year 1967. Now the college has grown up into very large number of students. The sangha opened this college in the remote part of the Karnataka with sole objective of uplifting this backward area and Karma Bhoomi of Lord Basaveswar.

VISION OF OUR INSTITUTIONS:

The institution works on Dasoha philosophy of Education.

1. TEACHING AND LEARNING for the sake of livelihood is an ordinary life.
2. TEACHING AND LEARNING not only for the sake of livelihood but also for the welfare of others is a good cultured life.
3. TEACHING AND LEARNING not only for the sake of livelihood but for the welfare of humanity, thinking that serving humanity is serving God, is kayak and DASOHA PHILOSOPHY OF EDUCATION

GOVERNING BODY:

- | | | |
|----|--------------------------------|----------------------|
| 1. | Poojya Dr. Sharnbasawappa Appa | President |
| 2. | Sri. Basawaraj Bhimalli | Member |
| 3. | Sri. Shashil G. Namoshi | Member |
| 4. | Sri. Basawaraj S. Deshmukh | Member |
| 5. | Principal | Ex-officio secretary |

FEATURES OF OUR COLLEGE:

Personality development:

Our institution gives importance to all-round development of the student. Personality development programs help students in developing effective communication skill, team spirit and boost confidence level and attitude, which helps in building better career.

Special coaching:

Our college gives intensive coaching to the students so as to make them perfect and proficient in their subject. Our college provides special classes to the weaker sections in all the subjects.

Daily assignments:

After every lecture is delivered, in each subject questionnaire are set on the topic taught to the students. All the students have to write answers for the same & submit on the next day. By way of such practice, students and staff are made to work every day which is the absolute need of the semester system. This is the unique feature of college.

Co-curricular activities:

Through “**Arts and Science Academy**” we organize various multi faceted co-curricular activities like quiz competition, drama, debate, singing, Rangoli competitions and etc. The co curricular activities are not only complementary to the academic activities but also they give relief to the students who are engaged in the hectic schedule.

Evaluation of students:

Student's attendance to the classes is monitored on day to day basis and internal assessment tests are conducted twice in each semester. The progress of the student is intimated to their parents.

Eligibility for admission:

The admission for the 1st semester of B.A. and B.Sc opened to the students who have passed PUC or equivalent examination in Arts & science.

Purified drinking water:

Water purification plants based on RO-UV technology are installed in the campus to provide pure & fresh drinking water to the students.

Hostel:

College provides hostel facility for rural girls. All the provisions including well equipped dining hall, clean purified drinking water, telephone & security have been provided.

Dress code:

Dress code is implemented to avoid the discrimination among rich and poor students. All the students are required in full uniform as selected by the college committee for the all working days except Thursday.

Career guidance cell:

The cell is meant for providing counseling to the students for planning their career after the graduation in the field like higher studies and competitive examinations.

N. S. S.:

The N. S. S. unit which gives opportunity for the students to appreciate the dignity of labour and help to develop noble qualities of serving the nation and mankind.

N. C. C.:

Under the N C C unit the students will be enabled to get training about Indian Armed Forces and inculcate the discipline of higher order in every sphere of their activities. Equal opportunity is also given to the girls to participate in N.C.C.

Disciplinary code of the college:

1. Students shall maintain decency and decorum in the campus, and they shall not cause any disturbance to the general and academic atmosphere of the college. Any act of misbehavior will be viewed seriously and the student will be fined or even expelled from the college.
2. The parents and guardians are implicitly agreed to such rules, regulations and conditions, when their wards are admitted to the college.
3. Students should always be in full uniform with I.D. Card while in the campus.
4. Completion of 80% attendance is compulsory. The students who are short of attendance will not be allowed to appear for the examination.
5. Mobiles are strictly prohibited in the college campus.

COURSE OF STUDY:

I. Baculor of Arts (B.A.)
